

## Corrugated Cardboard Folding Splints

For use in limb immobilization. Morrison Medical Corrugated Cardboard Folding Splints are available in a variety of sizes and foam options. Splints feature 5/8" holes for tie downs. Corrugated board exterior is white. 24" and 34" lengths offer an extra center crease for firm support of thin limbs. The Locking Leg Splint features sturdy double locking tabs, measures 4.5" x 14" x 34", and stores flat. Foam options provide increased patient comfort and include center foam, 3-piece foam, full foam, or without foam (plain). Foam measure 3/8" thick. FDA registered.
