

## Economy Deluxe Limb Restraints & Quick Check Limb Holders

Morrison Medical Limb Restraints prevent combative patients from interfering with administration of medical care and harming themselves or medical personnel.

### Economy Deluxe Limb Restraints

- Constructed of soft breathable foam and strong 1" polypropylene strap.
- Hook and loop closure holds restraint in place to allow quick application and tying of straps.
- Reusable, but economically priced to be considered disposable.
- Double 'D' ring style is a 11.5"x2.5" Cuff with single 60" strap.
- Tie Down style is a 11.5"x2.5" Cuff with two 1"x60" straps (adult model).
- Adult, pediatric and infant sizes available.
- Latex-Free.
- FDA Registered.

### Quick Check Limb Holders

- Constructed of soft breathable foam and strong 1" polypropylene strap.
- Hook and loop closure holds restraint in place during application.
- Quick release buckle secures cuff to patient and allows for adjustment.
- Reusable, but economically priced to be considered disposable.
- Large 3" x 12" long cuff.
- Quick Check has a 60" single strap for tie down.
- Double Check has a 60" strap with a quick release buckle.
- Won't cinch like other restraints.
- Latex-Free.
- FDA Registered.
