

## Economy Padded Wood Board Splints

Morrison Medical's padded board splints are constructed of 1/2" x 3" solid wood core with patient safe rounded corners, 1/2" foam on one side, and covered and sealed with orange reusable vinyl. These splints are available in a large range of sizes and are available with several bag options.

### Padded Wood Board Splint Carrying Cases

*Ideal for carrying set of 6 splints. Orange nylon reinforced vinyl with handle for easy carrying.*

1680: Velcro® closure

1681: Zipper closure
